WEDDING BREAKFAST MENUS

From the menu you choose, we ask that either everyone has the same dish for each course, or you can provide a pre-order and have 3 options per course.

If providing a pre-order, we would require each guest to have in front of them a reminder of what they have ordered on the back of the name place card.

Please note that the vegetarian dish on each menu can be adapted for Vegans. We can accommodate other dietary requirements on request.

Thank you.
